

APRIL BEACH

BUSINESS DESIGNER & OFFER CREATION EXPERT

Rare To Find Lifelong Entrepreneur Who Delivers Proven Blueprints for High-Profit, Deep-Purpose, Online Business Success To Experts, Coaches, and Consultants for 24 Years and Counting

April Beach is an award-winning strategist who teaches entrepreneurs to launch and scale their business online. She's an author, speaker, online courses pioneer, and developer of the some of the most trusted frameworks by coaches, consultants and service-based experts looking for business and life victory.

April has been teaching experts to design their methods, package their programs, and launch custom business models since 1996. Her guidance has led entrepreneurs in 56 countries to develop transformational online courses, coaching programs, masterminds, memberships, events, certifications, and content licensing packages that lead the way.

April has been featured on Today, MSNBC, and Fox News, in the New York Times, Austin Women's Magazine, 5280 Magazine, the Denver Business Journal, and by Patagonia®. April has partnered with numerous leading brands to creatively expand their reach. She was named the "Greatest Thinker of 2011" by the Denver Post, and "Top 50 Moms In Podcasting" in 2021 for her leading show, SweetLife Entrepreneur™.

"April is an amazing speaker. We had more audience retention at the end of her presentation than we had ever experienced at one of our online business masterclasses."
